### Physical Specification

|                         |                        |
|-------------------------|------------------------|
| Code                    | 1009.1010              |
| Product Dimensions (mm) | Dia.80mm X 25mm        |
| Finish/Color            | Black                  |
| Material                | Iron                   |
| On/Off Switch           | N                      |
| Cable Length (m)        | N                      |
| Cable Spec.             | N                      |
| Plug                    | N                      |
| Terminal Block          | 3-way Terminal Block   |
| Accessories             | screw,expansion bolts, |
| Installation            | Surface mounted        |
| Class                   | 1                      |

### Electrical Characteristics

|   |                          |
|---|--------------------------|
| Code  | 1009.1010                |
| Total Power Consumption Wattage/On-Mode Power | 1 x Max.5W LED GU10 BULB |
| Product Voltage                               | 220-240                  |
| Hertz   | 50/60                    |
| IP Rating                                     | IP20                     |
| Luminous Flux                                 | N/A                      |
| Kelvin  | N/A                      |
| LED Package Type                              | N/A                      |
| Lamp/Bulb Specification (if not LED)          | GU10 BULB                |
| Lamp/Bulb included?                           | N                        |
| SDCM  | N/A                      |
| CRI   | N/A                      |
| Power Factor                                  | N/A                      |
| UGR   | N/A                      |

### Function

|                     |           |
|---------------------|-----------|
| Code                | 1009.1010 |
| Linkable            | N         |
| CCT function        | N         |
| Multi-section Power | N         |
| Dimmable            | N         |
| Sensor              | N         |
| Emergency           | N         |
| Battery Spec.       | N/A       |
